

START YOUR FRANCHISE DEBT-FREE WITH OUR 401(K) FUNDING OPTIONS

FUND MY FRANCHISE CAN HELP YOU UTILIZE QUALIFYING RETIREMENT FUNDS TO START YOUR FRANCHISE. HERE'S HOW:

1. FORM A CORPORATION

We will form a corporation or work with your attorney during the formation process.

2. CORPORATION SPONSORS A 401(K) PLAN

Our unique 401 (k) Plan has been designed to allow for investment into your corporation. Our 401 (k) Plan has been pre-approved by the IRS.

3. ROLLOVER TO A NEW 401(K) PLAN

We will help you through the process of moving your retirement funds from your previous employer's 401(k) or IRA into the new 401(k) Plan.

4. 401(K) PLAN INVESTS IN THE CORPORATION

Your new 401(k) Plan purchases stock in the corporation. This 401(k) Plan now holds stock in the corporation and the business is debt-free and cash-rich from the sale of the stock. At this point, the corporation will now be able to purchase your new business or franchise.

THE BENEFITS OF A 401(K) PLAN ARE SIGNIFICANT AND EASY TO UNDERSTAND

- You invest some portion of your retirement funds in your business, giving you more control over the performance of your retirement plan assets.
- You use a safe, proven plan, based on long-standing provisions of the Internal Revenue code.
- You gain business equity and an improved cash flow position from the start.
- You accelerate business profitability by managing the amount of debt your new business takes on.
- You secure funding fast - typically 3-4 weeks or less.
- You can set aside tax-deductible retirement savings up to \$61,000 per year. For those age 50 and over, an additional \$6,500 can be contributed (\$67,500 total).*
- You optimize business equity and value.
